(F.O.B. Shipper Dock or equivalent; negotiated prices in trucklot and less-than-trucklot volumes reported in thousand pound quantities, cents/pound; delivery within 2 weeks.)

The MSC trade sentiment was steady with prices generally unchanged. Supplies were adequate on fresh 15-20% and barely adequate to close on the remainder for current needs; best call on Frozen 15-20%. Raw materials were a little harder to come by this week. Domestic movement was light to moderate. Export demand was fair to fairly good with inquiry from Mexico and Central American countries. Schedules were normal with some preparing for shortened schedules next week with the upcoming MLK holiday next Monday.
